MAX | IT'S A TOUGH WORLD.

GEO-Political Risk Analyst (GPRA) Profile

Company Profile:

MAX is a leading multinational risk management company that offers Geopolitical risk advisory, travel security, consulting, and investigation services. We are presently hiring Geopolitical Risk Analysts for various regions for them.

Position: Geopolitical Risk Analyst (GPRA)

We are looking for freshers / experienced individuals to work as a Geopolitical Intelligence Analyst (GPRA) in the world of security and risk consulting.

Job Description

The GPRA will be responsible for:
- Gathering relevant information by utilizing multiple sources
- Monitoring security-related events taking place in specified geographical region (Asia/ MENA/ Africa/ Europe & Americas)
- Providing research and analysis for in-depth reports

Technical Expertise & Other Requirements

The desired analyst must be experienced, energized, and motivated - able to multitask while working under pressure in a fast-paced environment. All applicants must meet the following prerequisites:
- Master's degree in the fields of Political Science, SecurityStudies, Journalism, International Relations, or Area Studies would be advantageous.
- High level English proficiency required. Knowledge of local dialects/ additional languages is an advantage.
- Familiarity with social media and associated tools

Experience

Individuals with 1-3 years of relevant work experience would receive a preference, however we are open to candidate profiles who can demonstrate similar capabilities.

Work Hours

The position entails shift work (including weekends & holidays). Please note that the position is in Mumbai (currently working from home) and that MAX does not provide sponsorship for work visas. It's 6 days working with one day Weekly Off.
