

MAX Security Solutions is hiring!

Are you an amazing **Intelligence Analyst** that's looking for your next great adventure?

MAX Security Solutions provides multinational corporations, government ministries, and third-sector organizations with tailored intelligence and analysis on everything from political stability, regional conflict, civil unrest, and cyber threats. Our intelligence products are designed to enable business continuity in the world's most unpredictable and volatile countries.

Job Description

Those who meet our requirements will be positioned in **MAX's Intelligence Division**. You will be responsible for:

- Gathering, analyzing, and assessing risk information for MAX's clients
- Utilizing multiple OSINT resources to gather intelligence
- Report on security and business continuity-related events affecting corporate clients operating in high-risk areas

Job Requirements

Enthusiasm and motivation to learn and apply intelligence-gathering knowledge to your tasks

Able to multitask while working under pressure in a fast-paced environment

Undergraduate (Minimum) or Graduate degree (Preferred) in: **political science, international politics, diplomacy, journalism, security studies, or other relevant fields.**

- English (mother-tongue level) (**Required**)
- Additional languages (**Advantage**)
- Familiarity with social media and open-source media (**Advantage**)
- Relevant past professional experience in intelligence and/or security – military, private sector, government, etc. (**Advantage**)

Please send your CV and Cover Letter (English only) to*: career@max-security.com

*Due to the number of applications we receive, we can only guarantee that candidates with relevant qualifications will receive responses.
