

MAX Security Solutions is hiring!

We're looking for an incredible and passionate **WEBINT Intelligence Analyst (French-speaking)** to join our Intelligence Division!

MAX Security Solutions provides multinational corporations, government ministries, and third-sector organizations with tailored intelligence and analysis on everything from political stability, regional conflict, civil unrest, and cyber threats. Our intelligence products are designed to enable business continuity in the world's most unpredictable and volatile countries.

Job Description

Those who meet our requirements will be positioned in **MAX's Intelligence Division**. You will be responsible for:

- Gather relevant information by utilizing OSINT, WEBINT, and other high-level intelligence methodologies.
- Monitor, analyze, and report on security and business continuity-related risks or threats affecting corporate clients.
- Report on security and business continuity-related events affecting corporate clients operating in high-risk areas

Job Requirements

Enthusiasm and motivation to learn and apply intelligence-gathering knowledge to your tasks

Able to multitask while working under pressure in a fast-paced environment

Undergraduate (**Minimum**) or Graduate degree (**Preferred**) in: **political science, international politics, diplomacy, journalism, security studies, or other relevant fields.**

- English (mother-tongue level) (**Required**)
- French (mother-tongue level) (**Required**)
- Additional languages (**Advantage**)

- Management experience (**Advantage**)
- Relevant past professional experience in intelligence and/or security – military, private sector, government, etc. (**Advantage**)

Please send your CV and Cover Letter (English only) to*: career@max-security.com

*Due to the number of applications we receive, we can only guarantee that candidates with relevant qualifications will receive responses.
